### Jackson Road Bridge Replacement Project

**This project will replace the Jackson Road bridge in Birch Bay.**

Whatcom County wants your help and input as they design what the next bridge will look like. Information gathered from the public will help them develop alternative bridge designs as they move forward. Public participation will come from virtual open house-style events and an online survey.

**The first open house will be from 6-8 pm on Wednesday, February 3rd.**

Virtual Open House log-in info & agenda will be posted on their website when available.
